CUSTOM OUTDOOR KITCHEN SYSTEMS

# Welcome to Urban Bonfire™

---

We develop functional, beautiful and high-performance outdoor kitchen solutions for clients and partners throughout North America. With a fully integrated in-house design team, compatibility with all major outdoor cooking equipment brands and quality domestic manufacturing, Urban Bonfire is the market leader in creating truly memorable outdoor living and entertaining spaces.

We are dedicated to creating designs that are expressions of our clients' individuality. This passion for creative design makes the art of developing custom outdoor kitchen solutions highly engaging and interactive. We believe that custom outdoor kitchen systems should reflect the lifestyle, aesthetic and spatial parameters of every individual client.

Urban Bonfire's outdoor kitchen systems have a wide array of functional and aesthetic options to choose from. Each custom kitchen is configured to maximize outdoor storage and entertainment spaces while offering clients a vast array of material, color and finishing options.

## Design, Quality & Craftsmanship Features

---

More than just beautiful aesthetics and finishes, our rugged cabinet modules are domestically built and assembled from quality materials and finished by experienced craftspeople. Every Urban Bonfire kitchen system includes the following standard features and arrives fully assembled and easy to install.

### MARINE-GRADE ALUMINIUM

Thick gauge aluminium construction

### CANADIAN MADE

Proudly designed, tested and manufactured in Canada

### 304 STAINLESS HARDWARE

304 stainless steel interior hardware

### WEATHER / BUG RESISTANT

Engineered to withstand most climate and weather conditions

### PROTECTIVE FINISHES

Full interior and exterior electrostatic powder coating for color, style and protection from the elements

### DESIGN

Developed in collaboration with renowned North American designers

### RIGID STRUCTURE

Rigid cabinet structure designed to support most countertop materials and cooking equipment

### INTEGRATED TOE KICK

Each cabinet equipped with a self-levelling toe kick

### SAFE

Made entirely of non-combustible materials

### CUSTOMIZATION

Fully customized system allows for easy accessorization, upgrades and expansion

### COMPATIBILITY

Compatible with all major grill and outdoor cooking brands

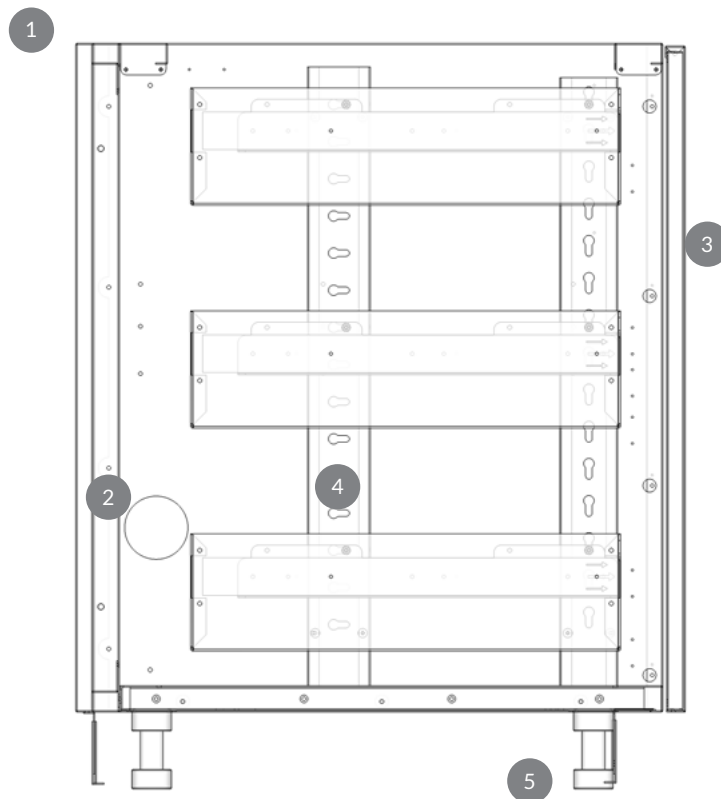

### WARRANTY

Ten-year limited warranty

# Attention to Detail

---

Great care and investments were made to ensure that every detail of Urban Bonfire's outdoor kitchen system provides clients with beauty, longevity and value.

## 1) PRECISION

*Available in free-standing and countertop models.*

# Cabinet Interiors

---

Designed to maximize both the space and functionality of each cabinet, our universal track system integrates seamlessly with fixed shelves, Kamado accessory racks, pull-out drawers, a retractable garden hose and a garbage/recycling system.

RETRACTABLE GARDEN HOSE

GARBAGE/RECYCLING SYSTEM

KAMADO ACCESSORY RACK

PULL-OUT DRAWERS

FLUSH MOUNT DRAWERS

FIXED SHELVES

## COLLECTIONS

### URBAN

←→ 87"      30" ↑↓

Small in size, huge in performance. The compact design of this kitchen is perfect for condo balconies or smaller sized decks and offers a significant amount of storage for spices, cooking tools, cutting boards, grill covers and more. This kitchen is shown with a full-size grill in our signature *Onyx* and features Dekton countertop in *Strato*.

COLLECTIONS

URBAN +

←→ 102"      30" ↑↓

With lots of built-in functionality, a full-size grill, side burner and storage, this design makes intimate dinners or large scale parties easy to accommodate. With the added design of wood-accent open shelving, reaching for platters, dishes, glassware and accessories is simple and easy. This kitchen is shown in our signature *Artesan* color and features Dekton countertop in *Edora*.

## COLLECTIONS

### URBAN ++

←→ 128.75"      30" ↑↓

This kitchen is our chef-inspired fully loaded design. It features a full-size grill, side burner, refrigeration and an ice chest. With enough storage for all tools, accessories, utensils and ingredients, this kitchen is truly for the “entertainer.”

This kitchen is shown in our signature *Anthracite* color and features Dekton countertop in *Sirius*.

## URBAN 90

←→ 155"      100" ↑↓

The ultimate outdoor kitchen and gathering space. This L-shaped design features a full-size grill, side burner, refrigeration and an ice chest. This kitchen features plenty of functional storage and interior designs that make cooking and entertaining fun and easy. With the added wood-accent open shelving, reaching for platters, dishes, glassware and accessories is simple, while the counter-height seating makes connecting with friends and family part of the experience. This kitchen is shown in our signature *Chantilly* color for a clean and modern aesthetic and features Dekton countertop in *Strato*.

## COLLECTIONS

### COMBO

←→ 119"      30" ↑↓

For the true lover of outdoor cooking, this kitchen features both a high performance gas grill and a Kamado style charcoal smoker. The compact design maximizes both counter space and interior storage for cooking tools and smoker accessories. This kitchen is shown in our signature *Onyx* color and features Dekton countertop in *Domoos*.

SOCIAL

←→ 128.75"      41.375" ↑↓

The ultimate social gathering island. This free-standing kitchen is designed to be a central gathering space. Even the cook is in the middle of the party. Featuring refrigeration, open shelving and counter-height seating, this design blends the kitchen and dining room into one. Shown in our signature *Chantilly* color for a clean and modern aesthetic and featuring Dekton countertop in *Strato*.
