Ensuring Proper Drainage

When installing your Urban Bonfire outdoor kitchen, give an angle so the back of the kitchen leans down slightly to the ground. This will help proper drainage to your Countertop Planter.

POWDER COATING FINISHES

Our custom formulated “Super Durable” finishes add depth to the colors and resistance to fingerprints and stains.

Onyx

A deep, dark black that is sure to create a standout piece in any environment.

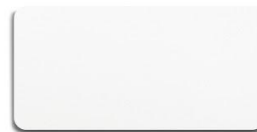

Anthracite

Modern dark gray with slate undertones. Elevates contemporary and outdoor urban environments.

Artesan

A dark gray finish with a warm bronze undertone. Designed to accent wood and natural limestone while still creating a welcome contrast through its depth of tone.

Chantilly

This crisp white works in almost any outdoor setting. Reflecting tones of silk and clean linen.

Clay

An elegant and versatile rich beige. Enhances the mood and atmosphere of any classic outdoor living space.

Pewter

Warm dark gray with bronze undertones. Adds a refined touch to any outdoor environment.
